

Crane Island Bird Count 2024

The Crane Island Nature Preserve's Board invites you to participate in a bird count of Crane Island. Here are the birds identified on, over, or around our island 40 years ago. Check off the ones that you can find (without trespassing on private property). Please add any other birds that you find.

YOUR NAME: _____

DATE: _____ [this can be a running list for a day, month, or year]

Note: We invite you to identify by sight or sound (we like Cornell's "Merlin" Bird app).
